ГОД НАУКИ

2017

Belarusian State Medical University
Student Scientific Society

Dear colleagues!

Student Scientific Society of the Belarusian State Medical University invites students and young scientists to take part in the International scientific LXXI practical conference of students and young scientists "Actual problems of modern medicine and pharmacy - 2017"

(APMM&PH - 2017), which will take place from 17th to 19th April 2017.

Participation in the conference is free of charge!

Working languages: Russian, Belarusian, English.

Location: Belarus, Minsk, Belarusian State Medical University (BSMU).

FORMS OF PARTICIPATION:

1. Oral report and publication of abstracts
2. Multimedia poster (presentation in ppt / pptx without oral format performances) and publication of abstracts
3. Only publication of abstracts

PUBLICATIONS OF THE CONFERENCE:

- ✓ It is planned to publish a collection of electronic abstracts prior to the conference.
- ✓ The themed collection of papers will be published according to the results of the section meetings. It will include the authors whose work will be recommended for publication.

!!! TO PARTICIPATE IN THE CONFERENCE YOU SHOULD SEND AN ABSTRACT BEFORE MARCH 10TH, 2017

!!! Please, indicate in the letter basic information:

1. Full Name of the author(s), university, faculty, course, group(s), status (student or smt else), telephone number(s), e-mail
2. Full name of the tutor, his degree, position and telephone number
3. The title of the report
3. Your section (normal anatomy, biochemistry etc.)
4. Name of the Department
5. Does your report contain your own results? (yes or no).

Email: mari_marie20_03_ereenko@mail.ru

1. Abstracts must be saved in the .doc
2. Abstracts must contain at least 85% of the original text when checking for plagiarism.
3. Abstracts don't include graphics, drawings, diagrams, charts.
4. The minimum size of the text of abstracts, along with the "cap" - 0.5 pages maximum - 1 page.
5. There should be a scanned copy of the abstract in PDF and visas from the Head of the Department (or the Deputy Head of the Department), a research advisor and authors.

6. STRUCTURE OF ABSTRACTS:

- 1) "Heading" (information about authors, article title, information about research advisors, educational institution);
